

# Mark Preece Family House Golf4Life Fundraiser

## Book Your Foursome and Support a Great Cause

### We needed you and you were there!

The Golf4Life tournament helps provide a calm in the storm to more than 6,000 families since the House opened in 2011.

Net proceeds from the tournament go directly to support the House which has been providing families a home away from home while visiting a loved one in critical care at a Hamilton hospital. Families say they don't know what they would have done without our support.

The House is funded entirely by fundraising and donations so we are able to greatly subsidize room rentals. Support from the community is critical as we receive no government funding for this essential service.
