

Giving Space

Room Adoption Campaign

What is 'Giving Space'?

Our mission is simple and urgent: to provide safe, compassionate, and affordable accommodations for families whose loved ones are receiving medical care at Hamilton hospitals.

Giving Space is our new multi-year pledge program, inviting community partners to adopt a room or space in the House . Each pledge directly supports the essential operations that keep our doors open, providing families with comfortable rooms, 24-hour staff support, and the many daily essentials that offer stability and peace of mind.

By sponsoring a room, partners help families stay close when it matters most, offering comfort, care, and hope during their most challenging moments. Giving Space is more than funding a room, **it is standing with families in crisis ensuring no one faces this journey alone.**

Giving Space Tiers

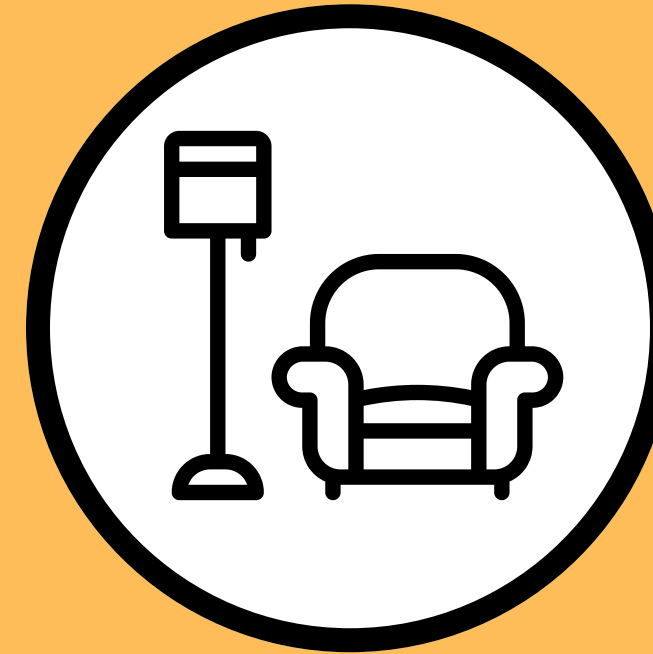

Haven

\$5,000
per year

Retreat

\$7,500
per year

With your support...

we can sustain vital programs such as Thyme for Dinner, increase our benevolent fund supporting families through financial difficulties, expand essential services, and remain a steady source of comfort, care, and hope for families facing their most challenging moments.

Benefits of Partnership

Four powerful ways your support makes a real and lasting impact

High Visibility Recognition

Your support is showcased through prominent in-house signage and website recognition, ensuring consistent visibility to families, visitors, partners, and the community we serve.

Community Leadership Spotlight

Supporters receive public recognition, including a ribbon-cutting ceremony, recognizing you as a committed community leader making meaningful, local impact.

Meaningful Human Impact

By adopting, you directly support families during their most difficult and vulnerable moments, providing comfort, stability, and essential resources when they need it most.

Purpose-Driven Giving

With 100% of your funds dedicated to supporting families, you can feel confident that your investment goes entirely toward creating hope, relief, and tangible support to our families in need.

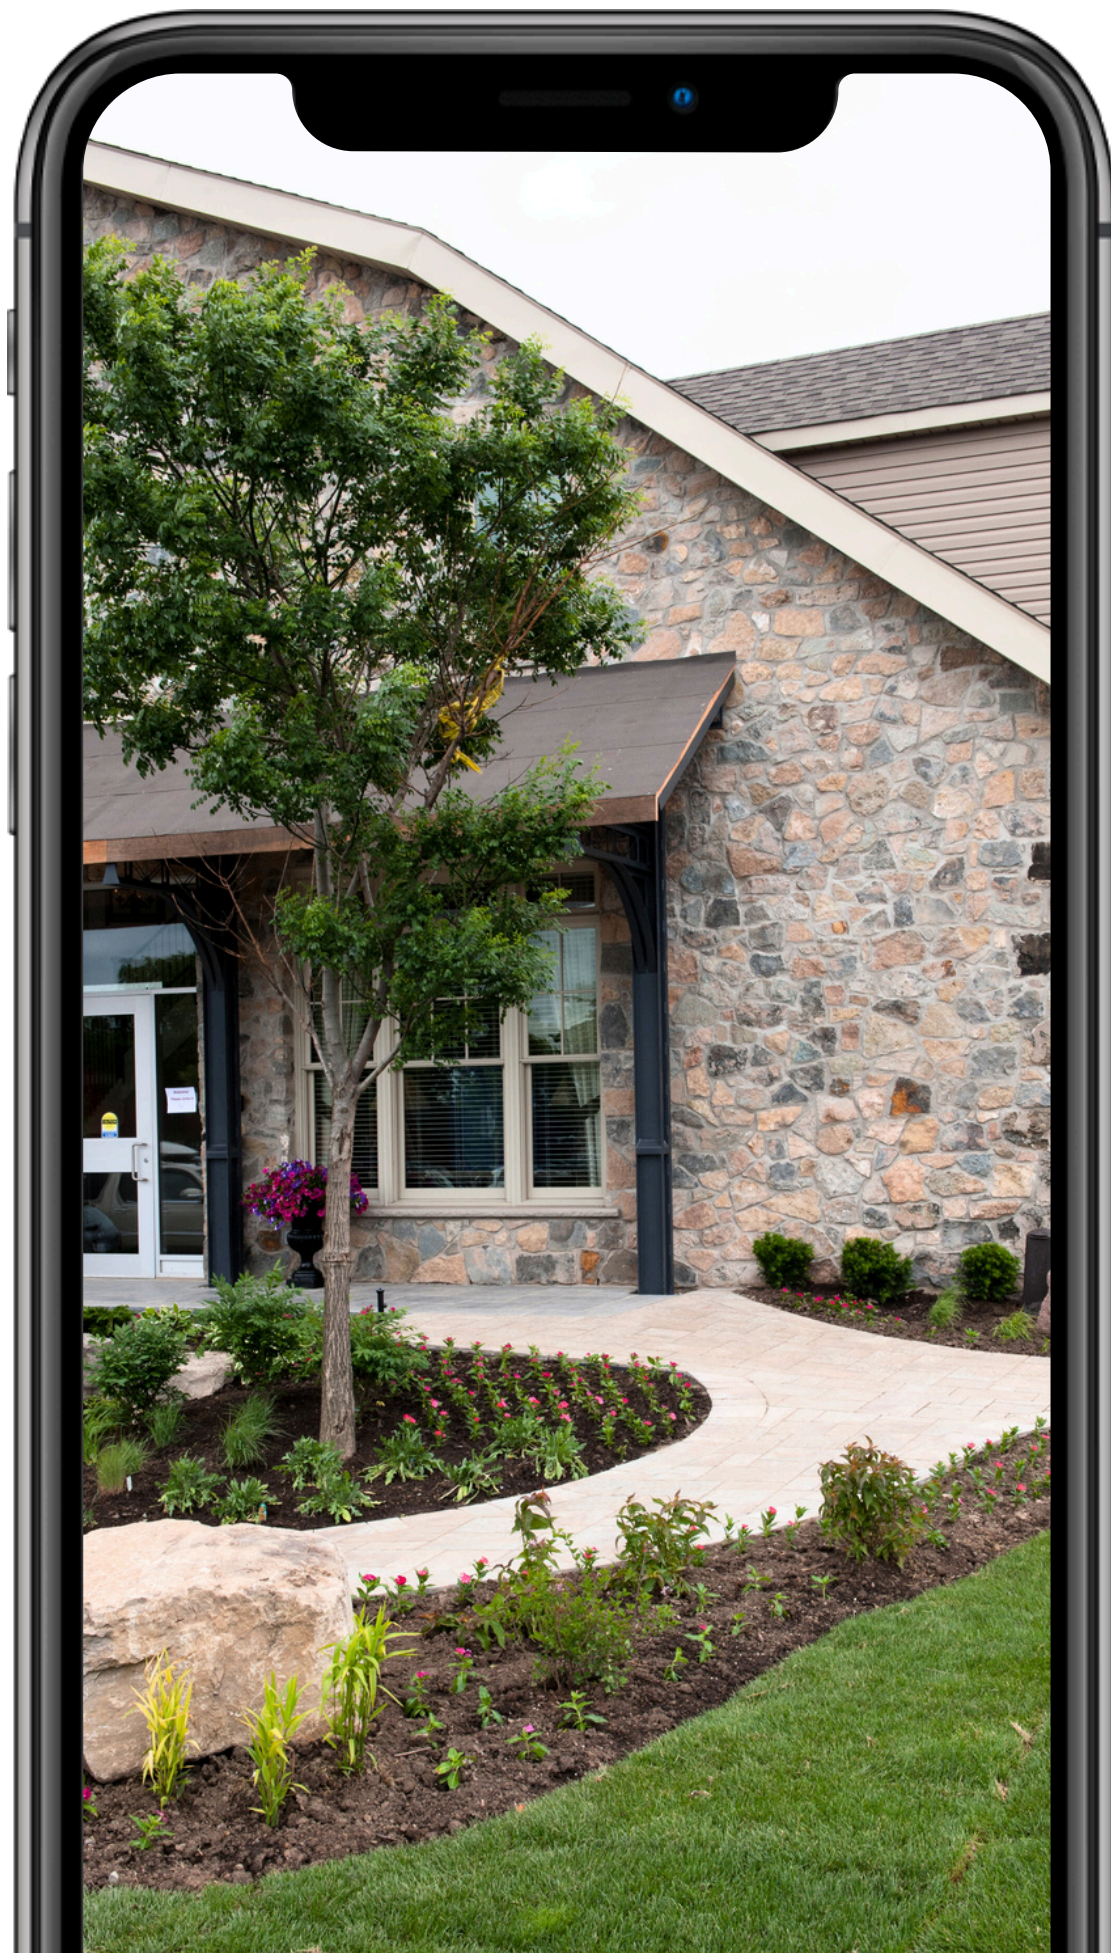

Ready to Adopt?

We invite you to make a meaningful impact by becoming a room sponsor and committing your support for the next three years.

Through this named space, you will be a visible and compassionate presence for the families we serve, helping ensure our mission remains strong and our community receives support during its most difficult moments.

**To confirm your adoption, reach out to:
Patti Majcher, Executive Director at 905-529-0770 ext. 301**

Thank You for your consideration
